Dear Sir:

The issue fee has been paid on the above-identified application. After such payment, Applicant's representative received an Office communication concerning the present application, wherein drawing deficiencies were identified. In particular, the deficiencies are directed to color drawings in the presentation, wherein requirements of 37 CFR 1.84(a) have not been met; i.e., no petition has been filed to provide color drawings, no corresponding petition fee has been paid, 3 sets of color drawing have not been prepared, etc.

As requested in the above-identified communication from the Office, Applicant's representative elects to have the corresponding black and white images of the color drawings: Figs. 9, 10, 17, and 19 published in the issued U.S. patent. Applicant's representative further requests entry of substitute black and white drawings provided

herewith for Figs. 15, 16, 18, and 20 which remove the gray shading in Figs. 16, 18, and 20, and, provide a black and white substitute drawing of Fig. 15 to replace the color drawing currently entered. No new matter is introduced by the substitute figures provided herewith.

If the present request can not be honored, please contact the undersigned Applicant's representative by phone.

It is believed that no fees are due with this transmittal. However, in the event that fees are due, please debit Deposit Account 19-1970.

Respectfully submitted,

SHERIDAN ROSS P.C.
